Welcome to the Spring 2015 Edition of the Completion Agenda Newsletter!

This spring has been full of exciting opportunities that speak to the success of the Completion Agenda at Wayne County Community College District (WCCCD)!

Career Programs continue to play a vital role within our District. Our students continue to complete degrees and certificates that lead to high wage, high demand, and high skilled job opportunities. Our Chancellor, Dr. Curtis L. Ivery remains committed to making information and opportunities about Career Programs more prominent within our District and the 32 communities that we serve.

Dr. Ivery’s commitment to the District is evident in the 2015-2020 Strategic Plan which describes WCCCD’s plans and priorities for institutional development and continuous improvement over the coming years. As Dr. Ivery points out, “WCCCD’s best future is linked to providing a gateway to education success, and security for the community.” Look for more information as we move into the first year of this new strategic plan.

Sincerely,

Dr. Ronald Harkness,
District Provost, Career Preparation and Campus Operations
WCCCD CONTINUES TO DEVELOP NEW PROGRAMS FOR OUR COMMUNITY!

DEAN’S LIST STUDENTS CONTINUES TO GROW!

The Completion Agenda celebrates student success. What better way to measure academic success than by another increase in the number of Students on the Dean’s List? Wayne County Community College District is very proud to report that over 600 students made the Dean’s list for the fall term. This honor is only awarded to students that have achieved a 3.5 GPA or better while earning 12 or more credits. Congratulations to all students that made the Dean’s List!

PHI THETA KAPPA INDUCTS NEW CHAPTER MEMBERS!

On April 24, 2015, Phi Theta Kappa held their Spring Induction adding over 140 students to their rolls. Phi Theta Kappa’s purpose is to recognize and encourage scholarship among associate degree students. As part of their mission, Phi Theta Kappa provides opportunities for the development of leadership and service, while fostering an intellectual climate in which to exchange ideas and ideals. Mr. Andrew Humphrey was this year’s keynote speaker, encouraging the inductees to do what is in their heart and what they do well. Congratulations to all inductees!
