

Wayne
County
Community
College
District

PROGRAM GOALS

To provide a general foundation of an associate of science studies as the precursor for a declared four-year degree.

PROGRAM OUTCOMES

To successfully complete the Associate of Science program of study with a "C" average or higher as a foundation to transfer to a four-year baccalaureate institution.

Associate of Science

ABOUT THE PROGRAM

The District offers a two-year course of study leading to the Associate of Science (A.S.) degree. This degree is designed for students who plan to complete their first two years of college at Wayne County Community College District and transfer to a baccalaureate degree granting institution. Students pursuing this degree plan to transfer and major in the natural or physical sciences including chemistry, mathematics, biology and physics. Courses leading to an A.S. degree are designed for students enrolled in pre-professional studies for such areas as medicine, dentistry, engineering, and dietetics and environmental and natural resources.
