The School of Continuing Education provides high quality, accessible programs and services in response to community needs. Our programs are offered as lifelong learning opportunities for individuals who want to enrich their cultural experiences, enhance their professional or occupational skills. Courses are available during the day, evening, weekend and on-line.

Our lifelong learning courses encompass a wide range of activities and interests, such as: arts and crafts, personal enhancement, health, physical fitness and sports, performing arts and global awareness. Additional educational opportunities include specialized courses that fulfill state licensing and professional certification requirements and computer technology training.

Youth development is a special focus area for the School. Among our programs are the Kids’ College, summer camps, career exposure and the youth enhancement series. These classes are designed to be fun-filled, academically challenging and enriching. Continuing Education specializes in providing Short-Term Certificate programs that offer new training opportunities based on the changing economy and the need for retraining and skill building. Such offerings include Advanced Computer Technology, Human Resources Specialist, Computerized Accounting, Entrepreneurship, Grant Writing, Grant Management, Office Support Specialist, and Non-Profit Management.

The School is committed to the provision of excellence. Our staff and instructors have collective expertise in a wide range of subject matter and course content. We look forward to providing you with superior customer service.

DOWNRIVER CAMPUS

**Boy Scout Merit Badge Camps • June and July 2019**

These camps are designed to provide an opportunity for Boy Scouts to earn merit badges. Lecture, discussion and hands-on demonstrations will be provided in these areas Public Safety, Farm Mechanics, Landscape Architecture, Nature and Fish and Wildlife Management.

DOWNTOWN CAMPUS

**17th Annual Passport to Africa • June 2019**

Passport to Africa provides educational and cultural enrichment activities for WCCCD students, area elementary, middle school, high school and community residents about the history, countries, cultures and diversity on the African continent.

EASTERN CAMPUS

**Manufacturing Expo • May 2019**

Students from local High Schools and Employers/employees within the manufacturing community will have the opportunity to visit the Eastern Campus and learn about all of the programs related to manufacturing. Participants will have the opportunity to visit vendor seminars to learn about a specific type of manufacturing. The vendor seminars will focus on Computer Numerical Controls, 3D Printing, Faro, Mastercam, HVAC and Welding.

NORTHWEST CAMPUS

**Flower Bonanza • April 2019**

Summer flowers and summer-flowering plants signal a golden season of bright sunny weather and warm climate. But for a home gardener, planting flowers with both rhyme and reason is a priority. You want flower arrangements for your home, but at the same time flowers with functional value. In short, summer flowers with benefits! Whether you want annual flowers that bloom all summer or continuous blooming perennials, this flower Bonanza will help you decide which summer flowers are perfect for your home and garden.

TED SCOTT CAMPUS

**Juvenile Diabetes Conference • May 2019**

The Ted Scott Campus in partnership with Juvenile Diabetes Research Foundation (JDRF) will host the 12th Annual Type 1 Diabetes Conference. Key note presentations from physicians, researchers and healthcare professionals will be present.

Frequently Asked Questions

How/when can I register?
Remember that some of our courses begin after the regular semester start date. For classes with a later start date, registration is ongoing throughout the semester.

- Walk-In Registration deadline: Seven days prior to the first class meeting.
- Mail-In Registration deadline: Please mail the form at least 10 business days prior to the beginning of class. The form must be processed seven days prior to the first class meeting.
- Fax-In Registration deadline: Seven days prior to the first class meeting.
- Online Registration: Seven days prior to the first class meeting.

What registration form do I need to complete if I register on campus?
The Continuing Education registration form is located inside the CE Schedule book for that semester. You can also obtain the form from a Campus Registration office or it can be downloaded from our CE link on our WCCCD website (www.wcccd.edu).

Do I have to pay at the time of registration?
Yes, the District does not accept cash. Students may opt to pay by check, VISA, MasterCard, Discover, American Express or ATM debit transfer. The District Bookstores provide prepaid debit cards for a nominal fee. It is recommended that the student review the cost of fees in the class schedule before registering.

What if my class is cancelled?
The School of Continuing Education reserves the right to cancel any class if enrollment is insufficient. The decision to hold or cancel a course is made, in most cases, seven business days prior to the start of the course. In cases of course cancellation, an attempt will be made to contact you either by telephone or mail.

What is the difference between dropping a class and withdrawing from a class?
A student who drops a class before the start date of the class will receive a 100% refund for that class. A student who withdraws from a class after the class begins will receive no refund.

What is the refund policy?
If the District cancels a course, you will receive a full refund. If you withdraw from a course prior to the start of the course, you will receive a full refund. No refunds will be issued to those who withdraw after the class has started. For refund questions, you may contact the Finance Department at (313) 496-2873.

Do you have admission and/or registration fees for CE classes?
No.

Do I have to take the COMPASS test (admission test) to take CE classes?
No.

How can I pay for my classes?
Payment may be made by check, Visa, MasterCard, Discover, American Express, or debit card. Personal checks must be drawn on a bank in Michigan and must have a preprinted check #, name and account number on them. If the writer of the check is a person other than the student, the student must present the writer’s ID. The student must have adequate picture identification and endorse the check. Any one of the following identifications is accepted: Driver’s license, military service I.D. card, state picture, I.D. card, or passport. (Exception: No student identification is needed for a minor whose parent/guardian is making the payment with a personal check).

What is the last day to register?
Due to the limited seating capacity, we encourage you to register seven business days prior to the start of the class.

Will I receive confirmation after I register for a class?
In most cases, you should receive a computer generated confirmation at the time of registration. If you register by mail or fax, you should receive a confirmation within seven to ten days via mail if your current mailing address is correct in the District’s computer system.
What is a CEU?
A CEU (Continuing Education Unit) provides a record and accountability for continuing education activities that meet the certification requirements of certain professional organizations. In all recognized educational circles, one CEU is equal to 10 contact hours of participation in an organized continuing education or extension experience.

What are the requirements to receive a certificate of completion for the CE short-term certificate programs?
You must complete all courses required in each particular certificate area of study.

What are the requirements to receive a certificate of participation for my children/child for CE short-term certificate programs?
You must complete all courses required in each particular certificate area of study.

In order to receive a certificate do I have to take all the classes during one semester?
It is recommended that students who want to complete a specific Certificate Program within the same semester, register for all courses at the same time. The Certificate Programs have class size limits, so register early.

Is it necessary to take Certificate Program classes in sequential order?
Yes, one course builds upon another so classes must be taken in sequential order.

Can minors take classes?
Yes. We do allow students under eighteen years of age to enroll in our Kids’ College classes with parental permission.

I’ve forgotten my User ID (A number). What do I do?
Go to your nearest campus Admissions office with valid identification to inquire.

How do I obtain a parking permit?
A parking permit can be obtained from your Campus Safety Department. Please bring your driver’s license, car registration, and current class schedule.

Do I need a student picture ID?
Yes, your picture ID can be obtained from the Campus Safety Department.

Are there books required for CE classes?
It is recommended that you ask the instructor about book requirements on the first day of class.

Am I required to purchase my own books and or supplies?
All classes require you to purchase books and or supplies.

What if I move or change my phone number?
It is the student’s responsibility to update any changes to their contact information (i.e. telephone numbers, address). Student information is not automatically updated when a new course registration is received. To make changes to your student record, contact the Office of Admissions at any of the WCCCD’s five campuses to complete a Change of Data Form with the appropriate documentation (i.e. valid ID, marriage certificate, social security card, etc.) to substantiate change.

What happens if there is bad weather?
Call the inclement weather line (313) 496-2600.

**Protecting Seniors Against Online Fraud-Cybersecurity Awareness Tips**

Fifty-three percent of adults age 65 and older now use the Internet and online tools such as email, according to the Pew Internet and American Life Project. Among those Internet users, seventy percent report going online daily. Although the internet provides many benefits for this population, it also has risks by scammers who target seniors through emails claiming to be from Social Security, false offers for discount prescriptions, free vacations, and so on. Seniors need to put locks on their computers in the same way they put locks on their doors. Participants will receive specific guidelines and tips for using the internet and reporting suspicious emails or phone calls.

Healthy Living is about taking responsibility and making smart health choices for today and for the future. The School of Continuing Education Healthy Living/Healthy Lifestyle is designed to assist individuals with eating right, getting physically fit, emotional wellness, spiritual wellness in addition to being preventive methods for creating a healthy lifestyle. Come and join us!!

**Heart Health Matters**
This class discusses spiritual, emotional and physical matters that effect heart health. Science has shown that there’s more to heart health than what is put in one’s body. Thoughts and emotions have a profound effect on the heart as well! One’s state of inner balance and happiness are just as important to heart health as factors such as diet and exercise. Participants will learn how to quench internal stressors and chaos through heart based living – forgiveness, appreciation, positive feelings and attitudes, prayer, faith hope, love, etc. The following nutrition and fitness topics for cardiovascular health will be addressed: fat, cholesterol, fiber, plant sterols and phytochemicals, natural ways to manage cholesterol, foods that lower blood pressure, protective antioxidants, alcohol, caffeine, chocolate, green tea, superfoods, best diet and exercise regimes for heart health.

**CLASS CAPACITY**
Kids’ College Camp programs are self-supporting and require a minimum number of students enrolled before a class will run. To avoid inconvenience to students, Kids’ College Camps with low enrollment will be cancelled one week in advance to avoid disappointment. Refunds will be generated to participants of cancelled camps.

**EMPLOYEE BACKGROUND CHECK**
All Kids’ College Camp instructors directly working with students have passed a criminal background check.

**DROP-OFF AND PICK-UP PROCEDURES**
For safety reasons, students under 18 years of age are not to be on campus unless accompanied by an adult or attending Kids’ College Camp programs. Your child’s safety is our number one concern.

Students must be picked up within 15 minutes after dismissal of their program. Repeated late Pick-up occurrences will result in termination from Kids’ College Camp with no refund.

**WAIVER AND RELEASE OF LIABILITY**
All youth students must present a signed waiver to their instructor before programs begin. The release waiver is conveniently located in our Continuing Education schedule book.

**PHOTOGRAPHS**
There will be photographs taken of students during programs. The photos may be used in future promotional materials. If you prefer we not use your child’s photograph, send a letter to:
School of Continuing Education
Attn: Kids’ College Camps
801 W. Fort Street
Detroit, MI 48226

**BEHAVIOR GUIDELINES**
Proper standards of conduct are necessary to protect the health, safety and well being of all Kids’ College Camp students. Behavior that might interfere with the educational process is unacceptable. Students will be respectful to other students and staff. Students will be careful with college equipment and property and the property of other students.

Parents will be contacted if their child is involved in any unacceptable situations during camp.

Appropriate college personnel, reserves the right, at any time, to exclude any child from activities due to failure or inability to follow as directed, any and all rules and/or policies for participants.

**COMPUTER USE AGREEMENT**
Certain camps may use the World Wide Web (www) or internet as part of their curriculum developed by the instructor. With this educational opportunity comes responsibility, to be shared by the student, parent/guardian and college staff.

Students will use the software that pertains to their camp. They may use the www/internet when the instructor gives the permission. Students should tell their instructors immediately if they encounter information that is inappropriate or makes them feel uncomfortable.

Students shall not give out personal information while online. Parents will be contacted if their child is involved in any unacceptable situations while using the computer.

Please note that Kids’ College Camp participants are only supervised while students are enrolled in camps. No extended supervision (longer than 15 minutes between consecutive camp times) is available between 9AM–4pm for those not enrolled in camps during any part of the day.

*If your child is registered for more than one camp per day, please have your child bring a copy of this schedule each day so we can ensure they get to the correct camp.*

For more information on all Kids’ College Camps feel free to contact the School of Continuing Education Office or Melodie Bunkley, District Director at 313-496-2704 or mbunkle1@wcccd.edu

You can register your child using the Continuing Education Registration Form in the back of the CE Schedule Book.

Or for your convenience, you can register 24-7 via our website: www.wcccd.edu.

Or at any one of our Campus locations.

Microsoft Imagine Academy Program

Helping students achieve industry recognized skills and certifications on the latest technologies.

Microsoft Imagine Academy provides resources that benefit all students, faculty and staff. Acquiring skills on the latest technologies helps students to become better partners, communicators, critical thinkers, innovators, and problem solvers.

Studies suggest that in the next 5 to 10 years there will be a significant shortage in the supply of skilled IT professionals. Over the next four years, Information Technology (IT) employment will rise by 5.8 million jobs and 51% of all IT jobs will be software related, creating 75,000 new businesses.

Microsoft believes that technology skills are essential to the prosperity of both individuals and nations. These skills contribute to economic growth through increased productivity and by creating greater capacity to adopt new technologies, ways of working and new sources of innovation.

“Microsoft Imagine Academy allows our young people, our trainers and our companies to develop quality skills so that our people can improve their economic and social situations.”

Larbi Bencheikh
General Director, OFPPT, Casablanca, Morocco

Microsoft Imagine Academy benefits for students, educators, academic institutions and your community

By joining the Microsoft Imagine Academy Program, your institution receives curriculum for teaching technology and learning tools that help students achieve success. Imagine Academy enables you and your institution to offer training not only on fundamental technology skills, but also technical courses for your students who are interested in pursuing a career in IT after graduation.
