

NURSING

• Associate of Applied Science

About The Program

The Nursing Program at WCCCD offers an Associate of Applied Science degree in Nursing. Graduates of the Nursing program are eligible to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN). Program requirements include specific courses in the nursing major and general education. The Nursing program is designed to prepare graduates to provide nursing care as staff nurses in a variety of settings.

Career Potential

- Registered Nurse

Admission Requirements

Admission is competitive. Selection is based on previous academic performance, test scores, letters of recommendation and fulfillment of admission requirements by deadlines. Students entering this program are required to have either a high school diploma or a General Education Development diploma (GED). Prerequisite courses, Nursing Entrance Test (NET) and all other admission procedures must be completed before applying to the Nursing Program.

The NET (Nurse Entrance Test) minimum passing composite score is 61. The reading comprehension sections must be at least 50. This test is offered at WCCCD usually 3 times a year. This test may also be taken at other institutions. Test scores are considered valid for 2 years if scores meet current requirements. The Nursing program admits students twice a year, Spring and Fall. All Nursing program courses are offered both Spring and Fall semester.

Associate of Applied Science Degree Requirements

PREREQUISITE COURSES (5)
