Accredited by the Michigan Department of Community Health EMS and Trauma Systems Section.

ABOUT THE PROGRAM

The Emergency Medical Technology (EMT) Associate of Applied Science degree and College Certificate of Completion curriculum stresses the integration of knowledge and skills required to competently perform pre-hospital basic, limited, and advanced life support. Wayne County Community College District is a State of Michigan, Michigan Department of Community Health (MDCH) EMS & Trauma Systems approved Education Sponsor.

Therefore, students that successfully meet the completion criteria for Medical First Responder, Basic EMT, or Paramedic will also receive a certificate of completion and are eligible for Emergency Medical Technology (EMT) Program certification and the National Registry for EMT's certification examination necessary for and Michigan licensure as a EMS Professional.

WHAT DO EMERGENCY MEDICAL TECHNICIANS (EMTs) AND PARAMEDICS DO?

Emergency medical technicians (EMTs) and paramedics care for the sick or injured in emergency medical settings. People's lives often depend on their quick reaction and competent care. EMTs and paramedics respond to emergency calls, performing medical services and transporting patients to medical facilities.

WHERE DO THEY WORK?

Emergency medical technicians (EMTs) and paramedics work both indoors and outdoors, in all types of weather. Their work is physically strenuous and can be stressful, sometimes involving life-or-death situations and patients who are suffering.
