ABOUT THE PROGRAM

The Hotel and Restaurant Management College Certificate program prepares students for immediate employment in the hotel industry. Students will learn about the different departments within the hotel. The areas of front desk, food and beverage, housekeeping, facility management, catering and sales will be explored. The course objectives are reached by the use of case analysis, technology, leadership, and marketing training. The Hotel and Restaurant Management Program is designed to prepare students for a broad range of positions across the hospitality industry.

WHAT DO HOTEL AND RESTAURANT MANAGERS DO?

Lodging managers make sure that guests on vacation or business travel have a pleasant experience, while ensuring that an establishment is run efficiently and profitably. Restaurant managers are responsible for the daily operations of restaurants and other establishments that prepare and serve food and beverages to customers.

WHERE DO THEY WORK?

Because hotels are open around the clock, evening and weekend work is common. Most lodging managers work full-time and are often on call. Restaurant managers often work long hours and sometimes 7 days a week.
