**Things parents of Kids’ College students should know**

**Class Capacity**
Kids’ College programs are self-supporting and require a minimum number of students enrolled before a class will run. **Employee Background Check**
All Kids’ College instructors directly working with students have passed a criminal background check.

**Drop-Off and Pick-up Procedures**
- For safety reasons, Kids’ College students under 18 years of age are not to be on campus unless accompanied by an adult or attending Kids’ College programs. **Your child’s safety is our number one concern.**
- Students must be picked up within 15 minutes after dismissal of their program. Repeated late pick-up occurrences will result in termination from the Kids’ College with no refund.

**Waiver and Release of Liability**
All youth students must present a signed waiver to their instructor before programs begin. The release waiver is conveniently located in our Continuing Education schedule book.

**Emergency Medical Treatment Release**
All youth students participating in sport related classes/camps must present a completed Emergency Medical Treatment Release form to their instructor before program start-up. The medical release is conveniently located in our Continuing Education schedule book.
