

MOTOR VEHICLE LOCKOUT SERVICE

Wayne County Community College District's Public Safety now provides lockout service for faculty, staff, students and visitors who lock their keys in their vehicle.

The person requesting the lockout must provide proof of ownership of the vehicle prior to District Public Safety opening the vehicle. Individuals requesting this service will be required to sign a waiver and a vehicle check will be conducted to ensure the individual is the owner of the vehicle.

Note: Our tools will not open trunks; only to the passenger area of the vehicle. There are local locksmiths who are able to supplement these services.

Persons needing assistance should call:

- Downriver District Public Safety 734-374-3218
- Eastern District Public Safety 313-579-6971
- Western District Public Safety 734-697-5182
- Downtown District Public Safety 313-496-2558
- Northwest District Public Safety 313-943-4041
- University Center Public Safety 313-884-1087

To assist in expediting your call, please have the following information available:

- Make and model of the vehicle
- Location in the parking lot
- Call back number
