Dear **WCCCD** Vision Plan Member,

Welcome to the Heritage Vision Plans Family!

As a new member of Heritage's Vision Benefit Program, you join thousands of satisfied members who enjoy great service, competitive rates, qualified and caring eye care professionals, and the latest in eyewear fashions. Inside this booklet, please find your current "Benefits at a Glance" (Vision Benefit Plan Summary Sheet) and the "Heritage WCCCD Network" Participating Vision Provider Directory.

To access information regarding covered **WCCCD** Vision benefits, eligibility, claims or to locate a participating vision provider you may:

1. Visit our web site and **log-in** securely at: www.heritagevisionplans.com
2. Call the Heritage Customer Service Center at: 1-800-252-2053. An Interactive Voice Response (**IVR**) system is also available 7 days a week, 24 hours a day

As we are continually adding providers to the network, the web site and IVR/Customer Service toll-free number will provide you with the most up-to-date provider information.

The **Wayne County Community College District** Vision Benefit Program, through Heritage, does not require the use of I.D. Cards. This Vision Program is designed to be a "paperless program", whereas the eligible member will simply provide the Heritage Network Vision Provider with the **WCCCD** employee's ID Number and the patient's date of birth. Alternatively, Heritage Providers may obtain authorization using Member Name and Birth Date (if a member's ID number is not disclosed). The Provider will proceed to contact Heritage to verify member eligibility and obtain an authorization number. If you visit an "in-network" provider, there is no claim form to submit. The provider will handle all of the paperwork and will submit the claim.

Thank you and we appreciate having you as a member.

Cordially,

Heritage Vision Plans, Inc.
