

# Student Technology Resource Guide

## What is an A number?

Your student admit number is your A number.

Example: A00123456

Your A number can be used for accessing:

Web-Gate

Blackboard

✚ <https://webgate.wcccd.edu>

✚ <https://blackboard.wcccd.edu/>

## Web-Gate Access

Student can access Web-Gate by entering the A number received upon completing WCCCD application process.

- ✚ Enter your A number
- ✚ Enter your PIN by default is your six-digit date of birth.  
e.g. 010175

## Student E-mail

Your student email is the official method of contact between student and faculty.

All students receive a WCCCD email address once a student has registered for at least one class. It can be found in Web-Gate on the Main Menu view your student email address.

Click on this link <https://webgate.wcccd.edu>

To view your student email address

- ✚ Click on Enter Web-Gate
- ✚ Enter the A number and PIN
- ✚ At the Main Menu click on View student email address

To read your email click on this link

<https://accounts.google.com>

- ✚ Enter your student email address
- ✚ Enter your password

Your password by default is your date of birth. For example: 011075.

## Security and Technology Policies

All users have a responsibility to employ computing and networking resources in an effective, ethical and legal manner. All are responsible for the integrity in which computing and networking resources are used

Some but not all acceptable uses are:

- ✚ Use all the systems and software only for acceptable purposes
- ✚ Making sure that your User-ID and password are protected from unauthorized use
- ✚ Use all the systems and software only for acceptable purposes Making sure that your User-ID and password are protected from unauthorized use

For additional information click [Acceptable Use Policy](#).
