DETROIT, Mich. – August 31, 2017 – Jamie Farr, best known for his role as "Klinger" on T.V.'s *M*A*S*H* stars in *Tuesdays with Morrie*, at 8 p.m. Friday, September 29 at Wayne County Community College District's Heinz C. Prechter Educational and Performing Arts Center, located on the Downriver Campus at 21000 Northline Road in Taylor, Michigan.

Tuesdays with Morrie is the autobiographical story of *Detroit Free Press* columnist and WJR radio host Mitch Albom, and Morrie Schwartz, his former college professor. Sixteen years after graduation, Mitch happens to catch Morrie's appearance on a television news program and learns that his old professor is battling Lou Gehrig's Disease. Mitch is reunited with Morrie, and what starts as a simple visit turns into a weekly pilgrimage and a last class in the meaning of life.

Albom, along with playwright Jeffrey Hatcher, adapted his best-selling memoir into a hit play, which opened Off-Broadway in late 2002 and has been performed in regional theaters throughout North America.

The show has received critical acclaim from Toronto to New York, citing Jamie Farr's performance as "absolutely amazing," with a dry wit and brilliant delivery.
