Breaking the Barriers on Breast Cancer Awareness

Thursday, October 5, 2017

1:00 p.m. – 3:00 p.m.

Downtown Campus • Frank Hayden Community Room 236

1001 W. Fort Street, Detroit, MI 48226

The Breast Cancer Awareness seminar is designed to provide the most relevant information on screening, prevention, diagnosis, and therapy of breast cancer. The seminar will allow interactive discussion with Dr. Wesen, a renowned breast surgeon with St. John Providence Health System. During the seminar, participants can ask questions, share concerns and become more confident about caring for loved ones with the disease.

PARTICIPANTS WILL:

-  Discuss the importance of mammograms
-  Learn about the disease and how it is treated
-  Identify risk factors associated with breast cancer
-  Learn about the importance of a healthy lifestyle
