INTERFAITH REFLECTIONS

at

The Islamic Center of America

Join the Wayne County Community College District's Diversity and Inclusion's **Interfaith Reflections Site Visit**, as we embark on an eye-opening venture, designed to promote unity and understanding. This month, we will explore the art, architecture, and cultural traditions of Islam at the **Islamic Center of America**.

Established in 1963, the Islamic Center serves the needs of Muslims in the greater Detroit area as well as throughout the United States. The Islamic Center of America has a long and rich past that embodies the American Muslim Community's search, struggle and triumph to find a place to belong.

Modest dress is required. Women are requested to cover their hair with scarf. Scarves are available at the mosque for those who may need it.

Open to the Public at No Cost!
