HOMEBREWING:

Turn your kitchen into a Brewhouse!

Learn the process of brewing your favorite styles of beer in your own home. We will walk through the cleaning and preparation, brewing and fermenting, and troubleshooting processes for the beginning homebrewer.

Learn what equipment you need to start homebrewing, the recipes to get you underway, and how to describe and discuss various aspects of the brewing process. Beer tasting is included: students must be 21 years of age or older and provide proof of their age before sampling in class.

Classes will be held at:
