Mr. Smooth is on the move on the international club style ballroom scene. Originally from Inkster, Michigan, he teaches international club style ballroom dancing, a very popular style of partner dancing seen at many dance functions and clubs throughout the Midwest. It is an eclectic mix, fusion, and hybrid of dance elements borrowed from other popular dances... Cha, Cha, Tango, Salsa, etc.

He teaches his particular form along with Graystone, Bop, and many popular hustle line dances in the metropolitan area. He is internationally known for the grace, fluidity and precision on the dance floor. It is a sheer pleasure to watch and experience. It is no wonder so many have dawned and labeled a name for him...“Mr. Smooth.”
