For girls entering grades 9-12 in Fall 2019

JULY 15-19, 2019
9:00 a.m. – 4:00 p.m.
DOWNTOWN CAMPUS
1001 W. FORT STREET, DETROIT, MI 48226

The focus of this camp is to introduce girls to technology as fun, fulfilling and to inspire the pursuit of technology education. This camp will also introduce girls to computer and internet technologies through hands-on activities.

PARTICIPANTS WILL:
• Study video game design concepts and design their own web page, while gaining knowledge in robotics and HTML web design
• Participate in mini-sessions that highlight programming skills and real-world uses of technology
• Meet with women who work in technological fields and explore career options in technology.

The cost is $75.00 payable at time of registration
