Wayne County Community College District

DIGITAL MEDIA AND FILM WORKSHOP

Presenter:

Bruce Harper, President and CEO, Big City Films, Inc.

Storytelling is what connects us to our humanity. It is what links us to our past and provides a glimpse into our future. Since humans first walked the earth they have told stories, before even the written word or oral language. Through cave drawings and over fires, humans have told stories as a way to shape our existence.

MARCH 14, 2019

10:30 A.M. - 12:00 NOON
