Wayne County Community College District's
Diversity and Inclusion Program invites you to

Jerusalem

Jerusalem is an award-winning film that focuses on a land that is sacred to three major religions of the world - Judaism, Christianity and Islam. Participants will learn about the faith traditions encapsulated in Jerusalem in an effort to promote and foster dialogue about respect and tolerance.

First filmed in 3D for Imax, this film provides breathtaking aerial and underground views of one of the world's holiest sites.
