

PRESENTS

NAVIGATING THE CAREGIVER HIGHWAY

*All workshops are developed by Wayne State University's Institute of Gerontology.
Content will help attendees build skills and a deeper understanding of the challenges and joy of caregiving.*

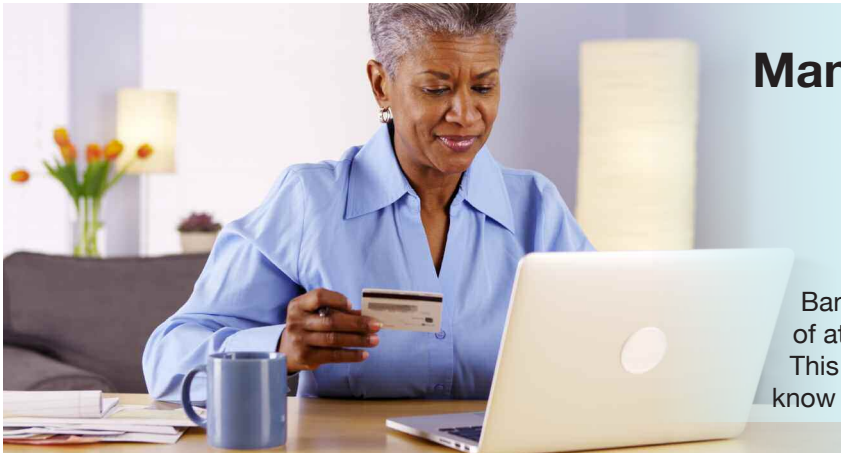

Understanding Life with Dementia

Tuesday, April 2, 2019

10:00 A.M. - 11:00 A.M.

Presented By: Paula Duran Ph.D.

Gain a deeper understanding of Alzheimer's disease and Dementia, and what you need to know to help prepare for the changes ahead. This program will include resources and information on services such as respite care, that will help you keep a meaningful connection with your loved one.

Managing Other People's Money

Wednesday, April 17, 2019

10:00 A.M. - 11:00 A.M.

Presented By: Latoya Hall, M.S.W.

Bank accounts, credit cards, legal guardianship, power of attorney—all of these can be confusing to understand. This program will help you understand what you need to know to manage your loved ones financial and legal needs.

Downtown Campus
Frank Hayden Community Room
1001 W. Fort Street
Detroit, MI 48226

This is a collaborative presentation between the Wayne County Community College District Alumni Association and Wayne State University's Institute of Gerontology.

Open to the Public at No Cost!
