**LEARNING COMMUNITY**

Learning Communities at WCCCD involve two or more classes linked together, coupled with support services, to bond a group of students. **Embedded within the linked courses is a half-hour of intrusive presentations to help participants become master students.** Within the linked courses, faculty will work together to integrate assignments and develop enriched learning experiences both inside and outside the classroom.

*See your campus academic advisor to sign up for a Learning Community today!* 

---

### Program Benefits:
- Tutoring Services
- Academic Advising
- Outside Class Experience
- Interaction with Faculty
- Interaction with Other Students
