

**FOR IMMEDIATE RELEASE**

## **WCCCD Partners with Walsh College for the New University Square Project in Harper Woods**

Detroit, MI –April 28, 2009 – The Wayne County Community College District (WCCCD) and Walsh College have partnered together in an articulation agreement that will provide the community with exciting classes, specialized courses and options leading to graduate-level coursework.

Representatives from both educational institutions signed an agreement during ceremonies that took place in late March and officially opened its doors to the community on September 8, 2008. Walsh College is the first of several proposed colleges and universities that will be located in the 22,000-square foot University Square. It was the former site for Beacon East Theaters, and is situated at 19305 Vernier Road in Harper Woods, MI 48225.

Stephanie Bergeron, President of Walsh College, stated “The partnership is a bridge to a bachelor’s degree that’s geographically convenient for WCCCD students and is a convenient location for Walsh students who live in Detroit, East Pointe, the Grosse Pointes and St. Clair Shores.” Walsh offers the undergraduate Foundations of Business Information Technology (BIT 335) on Thursdays from 6:00 p.m. – 9:50 p.m. at University Square.

WCCCD is committed to the continued development of new programs, hosting more community-based training sessions, improving student facilities and services, upgrading technologies, making capital investments in massive building expansion projects and training staff members to enhance their skills to maximize efficiency. For more information on WCCCD, please visit [www.wcccd.edu](http://www.wcccd.edu). For a listing of all special events throughout the District, please call (313) 496-2704.
