Crime Prevention Tips:
- Always be aware of your surroundings.
- Make yourself a hard target. Be alert, remove your headphones, stay off your cell phone.
- Trust your intuition. If a particular situation or route makes you uncomfortable or feel unsafe, choose an alternative.
- Walk with a friend or co-worker – try not to walk alone.
- Have your keys in your hand before you reach your vehicle or residence.
- Always keep all your doors locked, (auto and residence).
- If you see someone who is behaving in suspicious ways, do not approach – call the police.
- Avoid secluded and isolated areas.
- Arrive at the bus stop at the scheduled departure/arrival times.
- If you feel threatened on campus, look for an emergency phone, call (313) 943-4041 or call 911. Please Notify Campus Police of any unusual activity (see something – say something).
