ANNUAL REPORT

Mission Statement

WCCCD's mission is to empower individuals, businesses, and communities to achieve their higher education and career advancement goals through excellent, accessible, culturally diverse, and globally competitive programs and services.

One Vision, One District, One College

WCCCD:

- Serves 32 communities encompassing approximately 500 square miles with nearly 1.8 million people throughout Wayne County, one of the largest counties in the State of Michigan.
- Has five campus locations and the Mary Ellen Stempfle University Center.
- Offers more than 130 certificate and degree programs.

As a publicly funded institution, the Wayne County Community College District is committed to providing our community information pertaining to the operations of the District. As part of our transparency efforts, the Wayne County Community College District complies with Sec. 209 in P.A. 201 of 2012, the education omnibus budget bill, which requires community colleges to publish transparency webpage and stipulate the content.

ATHLETICS

“My goal through sports is to challenge the student athlete to surpass his or her own expectations whether on or off the court, not only as a good athlete but a better person in the game of life.”

- Rogerie Turner, *Athletic Director*

Athletics Mission Statement

Wayne County Community College District

The mission of the Department of Intercollegiate Athletics is to provide the students of WCCCD the opportunity to compete in a well-balanced, quality NJCAA Division II athletic program that meets the needs, interests, and abilities of male and female students, while meeting the commitment of the District's overall mission.

Our mission requires that WCCCD athletes be students first, that they be admitted with careful attention to their academic record and motivation, that they benefit from WCCCD programs and make satisfactory progress toward a degree, and that their attrition and graduation rates be comparable to those of other students.

WCCCD is also committed to the physical and emotional well-being of student-athletes and to the social development of the whole person. We honor the worth of individuals of all racial, gender, ethnic, and national origins, and we value persons from all socio-economic, educational, and experiential backgrounds.
