Important Registration Information

You must have earned a passing grade for all pre-requisite courses or you will not be allowed to register for the next sequential course. In addition to meeting the official admissions/registration requirements, you must select a program of study. For certain career programs you must complete an official Program Admission Form which may be obtained from the Campus Academic Officer or the campus Admissions Office after completing all course pre-/co-requisites.

Applying for Admission

Admissions

Wayne County Community College District is an open admission institution and automatic for those who are 18 years of age or older. Admission to specific programs is not automatic. For further information, please visit www.wcccd.edu or contact the Office of Admissions at 313-496-2634. If you are applying for financial aid to assist you in covering the cost of attendance, to be eligible for aid you must have a high school diploma or General Education Development (GED) Certificate. See our financial aid website for additional information.

For high school students under 18 years of age, the approval of a parent or guardian or the high school principal or counselor is required on the "Dual Enrollment" form.

Dual Enrollment students must be approved each semester for which they intend to enroll regardless of previous enrollments. Applications for Dual Enrollment students must be submitted to the District Office of Student Services, 801 W. Fort St., Detroit, MI 48226.

***Dual Enrollment classes may be available at no cost to the high school student who qualifies under the State School Aid Act, PA.148, Section 216. Students should contact their high school principal or counselor for information.**

Program Admission

Certain programs at the District have prerequisite courses and other criteria required for admission. In addition to meeting the official admissions/registration program requirements, students are required to apply for official program admission to their program of study. Students must complete an official Program Admission Form that may be obtained from the campus Student Services Office, the Office of Admissions or from the Campus Academic Officer. Additionally, to register for courses in technical degrees and certificate programs, except for specified introductory courses, students must have applied for and been accepted through the formal program admission process as specified in the District Catalog. Contact the Office of Admissions for specific program admission instructions.

For consideration of admission into **ALL** Allied Health programs, application deadlines are: May 15th for Fall and September 15th for Spring semesters.

Please Note: All students re-admitted to WCCCD after missing four or more consecutive regular semesters will be responsible for the curricula and regulations published in the current catalog and other official publications which are in effect at the time of their re-admission. In certain cases, dates of program admission may take precedence over dates of District admission for the purpose of meeting program requirements for graduation.

How to Apply and Register for Classes

Students may apply for admissions online by following directions provided at www.wcccd.edu. Once your online application has been submitted, the acknowledgment email and/or text will be sent describing registration instructions for new students.

Registration is held in the Student Services Center at each campus and online.

Steps to Enrollment

New Students

1. Many students may choose to apply for admissions online by going to www.wcccd.edu.
2. Have all previous academic credentials (official transcripts) sent to the District Records Office with a transcript evaluation request form.
3. When you receive your email or text message of admission, be sure to follow the instructions. Assessment testing is required for most new students and should be completed prior to registering for classes.
4. After completing your application and assessment testing, you will meet with an academic advisor to discuss your educational goals and select appropriate courses. You are now ready to register.
5. All fees must be paid by the deadline date established each semester. The District offers a deferred payment plan and some students may qualify for financial aid. Refunds will be available if you meet all preliminary guidelines and officially drop classes by the refund deadline. For more information, please see the Refund Policy in this schedule.

IMPORTANT:

Students who register for classes are responsible for payment of their tuition and fees. Classes must be officially dropped during the add/drop period through an academic advisor at a campus or online via My Wildcat Portal. Students who do not drop prior to published drop dates, regardless if student has attended class or not, will be responsible for paying the full tuition and fee assessment.

Current Students

- Students who have completed less than 12 credit hours are **required** to meet with an academic advisor. Students who have successfully completed 12 or more credit hours are **encouraged** to meet with an academic advisor.
- All fees **must** be paid by the deadline date established each semester. The District offers a deferred payment plan and some students may qualify for financial aid. Refunds will be available if you officially drop classes by the refund deadline.

- Upon completion of registration, all students are responsible for all assessments and fees. Tuition and other charges will NOT be waived unless a student officially drops the class(es), by the deadline date established each semester. There are two methods by which a student may drop a class. Log onto My Wildcat Portal, go to registration, and drop the class. In order to receive a refund of tuition and applicable fees, the form must be completed and processed. Students who do not drop by the appropriate deadline will be responsible for paying all tuition charges.

Former Students (Returning)

A returning student is an individual who has not attended the District for 4 or more consecutive regular semesters. All students in this category must complete an application for re-admission.

- Complete an application online by going to www.wcccd.edu and click Apply Now. (Students seeking a degree in an occupational program must apply for re-admission to a specific program.)
 - Have all your previous academic credentials (official transcripts) sent to the District Records Office, and submit a transcript evaluation request form.
 - When you receive your email or text message of admission, be sure to follow the instructions outlined in the letter. If you have not completed the English and Math requirements, you will need assessment testing.
 - Complete assessment testing.
- or-**
- If you do not need assessment testing, you will visit with an academic advisor for advising and course selection. This step is required for all students who have completed less than 12 credit hours and is **encouraged**, for students who have successfully earned 12 or more credit hours.
 - All fees **must be paid** by the deadline date established each semester. The District offers a deferred payment plan and some students may qualify for financial aid. **Refunds will be available if you officially drop classes by the refund deadline.**

Please Note: All students re-admitted to WCCCD after missing four or more consecutive regular semesters will be responsible for the curricula and regulations published in the current catalog and other official publications which are in effect at the time of re-admission.

Student Assessment

What is Assessment Testing?

Student Assessment Testing is a process through which the District will be able to determine if you need to improve your reading, writing or mathematics skills. The assessment test scores will provide the necessary information for your Academic Advisor to recommend placement into course(s) appropriate for your skill level.

How do I schedule my assessment testing?

Assessment Testing is available at the campus of your choice on a walk in basis. Please plan to stay at least two hours for your testing session. Please bring photo ID when testing. Students are encouraged to call the campus Student Services Office to confirm the time.

Special Populations

ACE Accelerating Career Education

The Accelerating Career Education (ACE) Program provides supportive services to eligible (Special Populations) students enrolled in Career and Technical Education (CTE) programs at Wayne County Community College District. ACE Career Preparation Workshops are designed to assist students with identifying resources that will support them in discovering their talents and developing strategic plans of action to accomplish their career goals successfully. The ACE Program places strong emphasis on improving academics and career readiness by providing supportive service activities.

Veterans

The purpose of the Veterans Affairs Office is to certify the enrollment populations of veterans and their dependents who are using their educational benefits. The staff in the Veterans Affairs Office serve as a liaison between the Department of Veterans Affairs and the students at Wayne County Community College District. The staff assists with the completion of forms, explaining the various degree options available at WCCCD, and directing students to the appropriate college personnel for support services. Veterans should schedule an appointment with an academic advisor for individual assistance. All forms may be printed from the WCCCD website, www.wcccd.edu or call us at 313-579-6924.

The Department of Veterans Affairs requires that all recipients of veteran educational benefits make progress toward their stated program. Therefore, all veterans and their dependents receiving benefits must maintain a cumulative grade point average (GPA) of 2.0 to remain eligible for benefits. Veterans whose cumulative GPA falls below 2.0 will be required to raise the GPA to a satisfactory 2.0 level within two semesters to be eligible for continued benefits. If the veteran fails to do so, the Department of Veterans Affairs will be notified of their unsatisfactory academic progress.

International Students

Wayne County Community College District welcomes cultural and linguistic diversity and offers English as a Second Language (ESL) courses for non-English-speaking foreign students.

The District is authorized under Federal law to enroll nonimmigrant students on the "F-1" student visa. Wayne County Community College District follows requirements set forth by the United States Department of Homeland Security. Each requirement must be satisfied before admission as an International Student is considered. International applicants should visit the website for application deadlines and a list of credentials needed for a complete application to be considered at: <https://www.wcccd.edu/international-students>

Senior Citizens

Citizens who are **residents of the District** and 60 years of age or older may enroll at the District tuition-free. Senior Citizen Tuition Waivers will be granted on a seat-availability basis in regularly scheduled academic classes. Although student activity fees shall be waived for senior citizens, they are responsible for all other fees such as the cost of books and class supplies. Senior students are expected to adhere to the same academic standards, rules and regulations that are in place for other students. Proof of age and residency is required at the time of registration.

Residency is established at time of registration. Wayne County Community College District reserves the right to make final decisions on residency eligibility.

Michigan Indian Tuition Waiver Program (MITW)

These programs cater to diverse student populations, including special populations such as individuals with disabilities, economically disadvantaged students, and non-traditional learners. WCCCD's CTE programs ensure equitable access to education, offering support services to help all students achieve academic and career success in healthcare, manufacturing, and information technology.

Tuition and Fee Information

Residency

Students residing in the District will be charged resident tuition rates. The District is defined as all of Wayne County with the exception of the following cities and townships: Dearborn, Garden City, Highland Park, Livonia, Northville, Plymouth and part of Canton Township. Residency can be verified by but not limited to voter registration card, driver's license, tax or rent receipts, or state identification card. See WCCCD website for additional information.

Residency is established at time of registration. Wayne County Community College District reserves the right to make final decisions on residency eligibility.

Outstanding Balances

Outstanding balances that are not paid on or before the published due date will be placed on a Financial Hold and charged a \$20 default fee. All student accounts remaining delinquent at the end of the semester (please refer to the District calendar for specific date) will be charged an additional delinquent payment fee of \$30.

Students who withdraw from classes after all refund periods have passed will not receive a refund.

Effective July 1, 2008, federal regulation dictates that financial aid students will no longer be able to use current award year financial aid funds to cover prior year outstanding balances that exceed \$200.

All tuition, fees and deposits are due at the time of registration. Students that choose the deferred tuition payment plan must pay a minimum of 65% of total tuition and fee(s) for the current term. Payments may be made online only. The District accepts online payments through all major credit cards and through checking and savings accounts.

Wayne County Community College District reserves the right to cancel the registration of any student who does not make the required tuition and fees payment within the specified time frame.

Cashless Registration Process

The District accepts online payments through all major credit cards and through checking and savings accounts. It is recommended that the student review the cost of tuition and fees in the class schedule before registering. Please remember to consider the fees for student activities, labs, and registration when calculating tuition costs.

Note: ALL RETURNING STUDENTS WHO HAVE AN OUTSTANDING BALANCE MUST PAY 100% OF THEIR OUTSTANDING BALANCE.

Important Registration Information

You are officially registered when the registration staff enters your classes into the registration system or once you click the "submit" button if registering online. **You are responsible for all tuition and fees incurred including the non-refundable registration fee.** You must pay at least 65% of your tuition and fees at the time of registration. You must officially withdraw from your class(es) within the refund period to be eligible for any refund. Dropping from Classes

Officially dropping within the drop/add period will ensure that you are not responsible for tuition payment for that course. If you drop after the 100% drop period, you are responsible for some or all tuition fees. See the refund table below for important dates and percentages of tuition refund.

Refunds

Classes cancelled by the District will result in a 100% refund. The District reserves the right to cancel classes. The District will attempt to notify students whose classes are cancelled. Students substituting another course must process a drop/add form as soon as possible. If students do not wish to substitute another course, a refund is automatic and there is no need to process a drop/add form. The refund will be mailed to the student approximately 3-5 weeks after the first day of the semester. **There is no refund for health reasons.** Classes withdrawn from by the student after the refund deadlines will result in “**no refund.**” Tuition, Student Activity fees, Technology fee, and all course designated fees are refundable within the deadline requirements. However, registration and deferred fees are not refundable unless the District cancels one or all of a student's classes.

Financial Aid

Applying for Financial Aid:

Visit our outstanding Financial Aid website at www.wcccd.edu to find out how to apply for financial aid and get up-to-date information every financial aid student should know. Monitor your personal financial aid information by logging into My Wildcat Portal. Students must apply for financial aid online at www.studentaid.gov. Students are encouraged to apply for financial aid this year as soon as the FAFSA is available in December for the upcoming school year. Priority deadlines for submitting financial aid applications are:

FallMarch 1

SpringOctober 1

SummerFebruary 1

If you do not apply by the above dates, we still encourage you to apply since you may be eligible for financial assistance. Student financial aid funds are made available only for purposes directly related to educational expenses. Use of financial aid funds for any other purpose will jeopardize eligibility for continued assistance. The District Financial Aid Office reserves the right to review, adjust and/or cancel awards at any time because of a change in a student's FAFSA, financial, marital, academic status, because of adjustments in federal or state regulations or funding or computational errors. A student may decline all or any portion of a financial aid award in writing. A student may appeal for reconsideration of any aspect of a financial aid award by submitting written justification and supporting documentation. A student may accept any number of awards or other financial assistance from public and/or private sources, however the total financial assistance may not exceed the total cost of their attendance.

Students who receive federal financial aid are expected to attend and successfully complete the coursework for which they enrolled. Payment of financial aid is based upon enrollment status and class attendance. If you add or drop classes after the disbursement of financial aid, the aid is subject to revision. Minimizing schedule adjustments after the beginning of each term will insure timely delivery and accuracy of the financial aid award. Adjustments made after the receipt of excess aid funds due to non-attendance or withdrawal will result in a reduction in aid eligibility and cause a balance due on the student's account. **Remember to stay informed about your financial aid by monitoring My Wildcat Portal and your WCCCD email inbox.**

Financial aid is not automatically renewable. Students must apply every year to be considered for any type of assistance. Procedures for applying for financial aid are available online at www.wcccd.edu.

The Types of Financial Assistance Include, but are not limited to:

- A. Federal Pell Grant
- B. Federal Supplemental Educational Opportunity Grant
- C. Federal Stafford Loans
- D. Federal College Work-Study
- E. Iraq and Afghanistan Service Grant

Information for each type of financial assistance is available under Financial Aid on the District's website www.wcccd.edu.

You must apply for financial aid electronically!

The Free Application for Federal Student Aid (FAFSA) at www.fafsa.gov allows students to apply for financial aid through the Internet. Applications are submitted directly to the US Department of Education thereby reducing mailing delays. Results are received faster by WCCCD, which speeds up the processing of your application. Extensive online instructions are available to help you complete the application process. You may also call 1-800-433-3243 for assistance.

We recommend having the following information available as you complete your application:

- Your (and your spouse's, if married) Federal Income Tax Return
- Your parents' (if you are a dependent under age 24) Federal Income Tax Return
- W-2 Forms or other records of income
- Records of other untaxed income received, social security, veterans benefits, military or clergy allowances

- Current bank statements
- Current mortgage information
- Records of stocks, bonds, and other investments
- Business and/or farm records, if you or your parents own a business or farm
- Your social security card and driver's license
- Your Alien Registration Card (if you are not a United States citizen)

Once you have completed the application, you must e-sign your application. The Personal Identification Number (PIN) serves as the electronic signature. There is no charge for this application process.

Within a few days, you should receive a Student Aid Report (SAR) from the US Department of Education via email with the processing results. It will also contain information regarding your Pell Grant Lifetime Eligibility Used (LEU) for eligible recipients. In addition, it will provide information on whether you are a first time borrower subject to the 150% subsidized loan limit. **It is important that you review the information on your SAR very carefully.** If you need additional help or wish to inquire regarding the results of your FAFSA on the web application for the upcoming academic year, you can contact FAFSA on the web or call the Customer Service Number 1-800-433-3243.

Satisfactory Academic Progress:

Federal regulations require that all students receiving financial aid make continued progress toward an educational goal.

Grievance Procedures

TITLE VI OF THE CIVIL RIGHTS ACT OF 1964 TITLE IX OF THE EDUCATION AMENDMENT OF 1972 SECTION 504 OF THE REHABILITATION ACT OF 1973 AMERICANS WITH DISABILITIES ACT (ADA)

If any student believes that Wayne County Community College District or any part of the school's organization has not applied the principles and/or regulations of (1) Title VI of the Civil Rights Act of 1964; (2) Title IX of the Education Amendment of 1972; (3) Section 504 of the Rehabilitation Act of 1973; or the ADA, the student may bring forward a complaint (which shall be referred to as a grievance through this text) to the local Equal Opportunity Compliance Coordinator at the following address:

*Wayne County Community College District -District
Vice Chancellor for Human Resources and Administration
2nd Floor, 801 W. Fort, Detroit, MI 48226
telephone: 313-496-2765*

The appropriate procedures must be followed by the student in order for his/her grievance to be thoroughly reviewed for merit. The grievance procedures (steps) are outlined below.

Grievance Procedure For EOCC Complaints

The person who believes he/she has a valid basis for a grievance shall discuss the grievance informally on a verbal basis with the Equal Opportunity Compliance Coordinator, who shall in turn investigate and reply to the complaint with an answer to the grievance. The student may begin formal procedures according to the following steps.

Step 1

A written statement of the grievance signed by the student shall be submitted to the Equal Opportunity Compliance Coordinator within five (5) business days of receipt of the answers to the informal grievance. The coordinator shall further investigate the matters of grievance and reply in writing to the student within five (5) business days.

Any complaint submitted under this procedure shall be filed at Step 1 within twenty (20) business days after the student becomes aware or reasonably should have become aware of the complaint. If the complaint is not served within that time, it will not be considered. Failure by the student to appeal the complaint from Step 1 to Step 2 within the stated time limit procedure shall also nullify the complaint.

Step 2

If the student wishes to appeal the decision of the Equal Opportunity Compliance Coordinator, the student may submit an appeal to the Chancellor of the District within five (5) business days after receipt of the Coordinator's response. The Chancellor (or a designee) shall meet with all parties involved within ten (10) business days to formulate a conclusion, and respond in writing to the student within ten (10) business days.

Step 3

If at this point the grievance has not been satisfactorily settled, further appeals may be made to the Office of Civil Rights, Department of Education, Washington, D.C. 20201.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)

The Family Educational Rights and Privacy Act of 1974, FERPA is a federal law that states (a) that a written institutional policy must be established and (b) that a statement of adopted procedures covering the privacy rights of students be made available. The law provides that the institution will maintain the confidentiality of student educational/financial records.

WCCCD accords all the rights under the law to students who are declared independent. No one outside the institution shall have access to, nor will the institution disclose, any information from the student's educational/financial records without the written consent of the student except to personnel within the institution, to officials of other institutions in which the student seeks to enroll, to persons or organizations providing the student with financial aid, to accrediting agencies carrying out their accreditation function, to persons in compliance with a judicial order, and to persons in an emergency in order to protect the health or safety of students or other persons. All these exceptions are permitted under the Act.

Within the WCCCD community, only those members, individually or collectively, acting in the student's educational interest are allowed access to student educational records. These members include personnel in the Offices of Admissions and Records, Student Services, and academic personnel within the limitations of their need to know.

At its discretion, the institution may provide Directory Information in accordance with the provisions of the Act to include: student name, address, telephone number, email address, date and place of birth, major field of study, dates of attendance, degrees and awards received, the most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams. Students may withhold Directory Information by notifying the Vice Chancellor of Student Services in writing within two weeks after the first day of class for the semester.

Requests for nondisclosure will be honored by the institution for only one academic year. Therefore, authorization to withhold Directory Information must be filed annually with the Vice Chancellor of Student Services. Forms utilized to make this request are available in the Office of Admissions and Records at all campus locations.

For additional information regarding the Family Education Rights and Privacy Act please visit our website at www.wcccd.edu and reference the Student Handbook.

Social Security Number Privacy Act

The State of Michigan has recently enacted the Social Security Number Privacy Act that requires all public and private businesses and institutions to enact a policy regarding the protection and disclosure of social security numbers. In compliance with this law and in furtherance of Wayne County Community College District's commitment to protect the privacy of its students, a Social Security Number Protection Policy has been adopted by the District.

In accordance with this policy, all students should be aware that their social security number will not be publicly displayed with more than four (4) sequential digits, or used as a primary account number by the District. Furthermore, students will not be required to supply their social security number to gain access to any computer system, internet websites or networks administered by the District.

Additionally, in order to avoid inadvertent disclosure, no document will be mailed or electronically transmitted by the District that contains more than four (4) sequential digits of a student's social security number unless required by state or federal law, a court order or under the other conditions expressly stated in the District's Policy. Also as part of its Social Security Number Protection Policy, the District has adopted disposal procedures that require all documents that contain a student's social security number be either eradicated or destroyed.

If students have any questions about this policy, or need clarification on any of the District's procedures concerning social security numbers, please either consult the District's Policy Manual online at www.wcccd.edu or contact the Administration.

Student Rights and Responsibilities

The District publishes a document – the Student Handbook which includes the Student Code of Conduct and expects that every student will become familiar with this information. This document is designed to help you successfully navigate through the educational process at WCCCD and outlines our expectations for student behavior. It is the student's responsibility to become familiar with this publication and refer to it as needed. You may obtain a copy of the Student Handbook on our website at www.wcccd.edu.

District Police Authority

Introduction To District Police Authority

Safety and security are important issues for the entire Wayne County Community College District community. Each member of the District's campus communities — faculty, staff and students — is responsible for taking an active role in both reporting and preventing incidents that might jeopardize the safety of others attending, visiting or working at Wayne County Community College District. It is the District's intent to provide the safe environment needed for its members to successfully pursue their various goals.

The following information is provided in compliance with the Crime Awareness and Campus Security Act (Title II, Public Law 101-542), as amended, and the Drug-Free Schools and Communities Amendments of 1989 (Public Law 101-226).

I. Campus Crime Reporting Procedures

All criminal incidents and emergency situations are to be immediately reported to an officer located at the District Police Authority station at each of the District's facilities. Depending on the nature of the situation, appropriate police authorities are contacted. Incident reports are prepared, reviewed by District administrative personnel, and, if warranted, further actions are taken as governed by law, employee labor contracts, and student conduct policies. All staff, faculty, students, and visitors are encouraged to report any suspicious persons, activities, and events, as well as actual incidents and emergency situations to District safety personnel.

II. Campus Security and Access

Exterior lighting, patrols, alarm systems, and specific surveillance monitoring of interior and exterior buildings are just a few of the security measures taken by the District for the safety of the District community. All students, faculty, staff and visitors are encouraged to be actively aware of their surroundings and mindful of their personal protection. Concerns regarding exterior lighting and other safety matters should be reported to District safety personnel.

Students, employees, and visitors have access to most areas on the campuses during regular District hours as posted at each facility. A high-security keying system is used to limit access to computer areas, laboratories, storage areas, shops, and similar areas to times when an attendant is present. Administrative hours are 7:30 a.m. to 10:00 p.m., unless otherwise posted. Parking is limited to students, staff and visitors.

III. Campus Law Enforcement

WCCCD Police Authority, a law enforcement agency now has complete police authority to apprehend and arrest anyone involved in illegal acts on all of the Campuses. The WCCCD Police Authority has three tiers of safety officers: sworn police officers, Police authority officers and campus safety officers. In the event of a major offense (i.e. aggravated assault, robbery and auto theft) the WCCCD Police Authority would report the offense to the local police and pursue joint investigative efforts. If minor

offenses involving college rules and regulations are committed by a student, the campus police authority may also refer the individual to the disciplinary Division of Student Services.

Under oversight from the Michigan Commission of Law Enforcement Standards (MCOLES), a division of the Michigan State Police, the Police Authority was also approved by the Wayne County prosecutor and the local police chiefs. WCCCD has officers sworn in as Security Police Officers, also referred to as "Police Authority," and have misdemeanor arrest authority while on active duty, on the college's premises and in full uniform. The Director of District Police Authority is responsible for licensure and all of the officers that have the arrest authority must meet minimum requirements related to age, security or law enforcement experience and suitable background including absence of any felony conviction and specific misdemeanor convictions. The law requires these officers to be trained as required by the Michigan State Police. Currently, Security Police Officers are required to be trained at MIPSE in the following areas:

- Legal - criminal law and procedure; civil law and diversity
- Special Curriculum - including firearms familiarization and defensive tactics
- Critical Incident Curriculum - CPR/first aid; non-violent intervention, and emergency preparedness
- Patrol Operation
- Annual, Mandatory Maintenance Curriculum - first aid; emergency preparedness; legal update; defensive tactics and firearms range qualifications or strategic video training for those who carry firearms

IV. Substance Abuse

Wayne County Community College District is committed to providing a drug-free environment for all of the District's community members — students, employees and visitors. The District believes that drug abuse education and prevention programs are essential components of a comprehensive strategy to deal with illicit drug use and alcohol abuse on District premises or during District-related activities.

Students, employees, and visitors to the District are expected to observe all federal, state, and local laws and District regulations governing the use and possession of alcoholic beverages, narcotics, dangerous drugs, or controlled substances. All students, employees, and visitors are specifically forbidden to use or possess alcoholic beverages, narcotics, dangerous drugs or controlled substances, or to be under their influence while on District property.

For students, violation of District regulations may result in disciplinary action up to and including expulsion from the District and referral for prosecution. Employees who violate District regulations are subject to disciplinary action up to and including termination from employment at the District. In the case of District visitors, failure to follow regulations may result in a request to leave District property or the District activity. It also may result in referral to local police agencies.

The entire Alcohol and Drug Abuse policy is outlined in the Wayne County Community College District Student Handbook, which can be obtained in any Campus Student Services Office. The Board of Trustees Policy 4.1.10, Substance and Alcohol Use on Duty, regarding employees, is available from the Board of Trustees Office and is outlined in the Employee Handbook.

V. Drug and Alcohol Prevention Awareness

To assist individuals in substance abuse prevention and awareness, students are encouraged to seek assistance through the office of student services. Student services will refer students to the proper resources to gain information related to substance avoidance and/or counseling. In addition, students are encouraged to attend all orientations, substance abuse/awareness workshops and seminars. The office of Student Services may be reached by calling 313-496-2634.

VI. District Police Authority and Security Awareness

It is the intent of Wayne County Community College District to make every effort to prevent crime rather than react to crime after it has occurred. The District makes every effort to inform the District community on matters of awareness, events of importance, and personal safety. Bulletin boards are maintained at each District Police Authority station. Information pertinent to safety concerns, personal protection, community feedback, and other information that might be required by applicable laws and ordinances is posted on these bulletin boards. Further crime prevention activities are provided by such programs as the following:

Electronic Alarm Systems — Alarms are installed in a number of areas to monitor unauthorized entry, exit, movement, etc.

Emergency Alert System — District Wide text and Email notification system.

Security Patrols — District Police Authority personnel patrol the campus grounds and buildings on foot, bicycle and in vehicles.

Parking Controls — Observation booths and vehicle registrations are used to provide additional security and control.

Student Handbook — The Student Handbook contains materials regarding the Student Code of Conduct, District policies, the Alcohol and Drug Abuse policy, and other matters of conduct.

Clery Act

In compliance with the Student Right-to-Know and Campus Security Act enacted Nov. 8, 1990, later formally renamed the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, and commonly referred to as simply the Clery Act, the Wayne County Community College District Police Authority Department collects and publishes specific information on campus crime statistics, security policies and services. The WCCCD District Police Authority Department is service-oriented, trained in professional standards and dedicated to the safety and comfort of our students, faculty, staff and visitors. Our primary concern is to protect life and property and to allow the educational process to evolve safely.

All criminal incidents and emergency situations are to be immediately reported to the District Police Authority officer located at the security station at each of the District's campus facilities. Depending on the nature of the situation, appropriate police authorities will be contacted. Incident reports are prepared and reviewed by District administrative personnel, and, if warranted, further actions are taken as governed by law, employee labor contracts, and student conduct policies. All staff, faculty, students, and visitors are encouraged to report any suspicious persons, activities, events, as well as actual incidents and emergency situations to the District Police Authority security personnel immediately.

Wayne County Community College District's annual security report is now available. This report is required by federal law and contains policy statements and crime statistics for the school. The policy statements address the school's policies, procedures and programs concerning safety and security, for example, policies for responding to emergency situations and sexual offenses. Three years' worth of statistics are included for

certain types of crimes that were reported to have occurred on campus, in or on off-campus buildings or property owned or controlled by the school and on public property within or immediately adjacent to the campus. This report is available online at <https://www.wcccd.edu/divisions/district-police-authority>. You may also request a paper copy from the Director of District Police Authority.
