Very Important Registration Information!

Disclaimer

This class schedule is for informational purposes only and does not constitute a contract. The College reserves the right to change, modify or alter without notice all fees, changes, expenses and costs of any kind and further reserves the right to add or delete, without notice, any course offering or information contained in this schedule. WCCCD reserves the right to assign instructional staff and to eliminate, cancel, phase-out, or reduce course size and/or programs for financial, curricular or programmatic reasons.

Payment By Check

Personal checks must be drawn on a financial institution within the United States and must have a preprinted name, check # and account number on them. If the writer of the check is a person other than the student, the student must present the writer's I.D. The student must have adequate picture identification and endorse the check. Any one of the following identifications are accepted: Driver's License, military service I.D. and discharge papers, pictured credit cards, employment picture I.D. card, state picture I.D. card, or passport.

Cashless Registration

Students are required to make all payments by check, Visa, MasterCard, Discover, American Express or ATM debit transfer. The College Bookstore provides prepaid debit cards for a nominal fee. It is recommended that the student review the cost in the schedule booklet before registering.

Certificate Programs

It is recommended that students who want to complete a specific Certificate Program within the same semester, register for all courses at the same time. It is required that you take your classes in sequential order unless prior permission is obtained from the School of Continuing Education. The certificate programs have class size limits, so register early.

Senior Citizens

Senior Citizens who are residents of the District and 60 years of age or older may enroll in the college tuition-free. (THIS EXCLUDES CERTIFICATE COURSES) Senior Citizen Tuition Waivers will be granted on a seat-availability basis in regularly scheduled academic classes. Although student activity fees shall be waived for senior citizens, they are responsible for all other fees such as the cost of books and class supplies. Senior students are expected to adhere to the same academic standards, rules and regulations that are in place for other students. Proof of age and residency is required at the time of registration.

How to Use This Schedule Book

Frequently Asked Questions

How/when can I register?

Remember that some of our courses begin after the regular semester start date. For classes with a later start date, registration is ongoing throughout the semester.

- Walk-In Registration deadline: Seven days prior to the first class meeting.
- Mail-In Registration deadline: Please mail the form at least 10 business days prior to the beginning of class. The form must be processed seven days prior to the first class meeting.
- Fax-In Registration deadline: Seven days prior to the first class meeting.
- Online Registration: Seven days prior to the first class meeting.

What registration form do I need to complete if I register on campus?

The Continuing Education registration form is located inside the CE Schedule book for that semester. You can also obtain the form from a Campus Registration office or it can be downloaded from our CE link on our WCCCD website (www.wcccd.edu).

Do I have to pay at the time of registration?

Yes, the District does not accept cash. Students may opt to pay by check, VISA, MasterCard, Discover, American Express or ATM debit transfer. The District Bookstores provide prepaid debit cards for a nominal fee. It is recommended that the student review the cost of fees in the class schedule before registering.

Note: ALL RETURNING STUDENTS WHO HAVE AN OUTSTANDING BALANCE MUST PAY 100% OF THEIR OUTSTANDING BALANCE BEFORE THEY CAN REGISTER FOR THE CURRENT SEMESTER.

What is the last day to register?

Due to the limited seating capacity, we encourage you to register seven business days prior to the start of the class.

Will I receive confirmation after I register for a class?

In most cases, you should receive a computer generated confirmation at the time of registration. If you register by mail or fax, you should receive a confirmation within seven to ten days via mail if your current mailing address is correct in the District's computer system.

Do you have admission and/or registration fees for CE classes?

No.

Do I have to take the COMPASS test (admission test) to take CE classes?

No.

How can I pay for my classes?

Payment may be made by check, Visa, MasterCard, Discover, American Express, or debit card. Personal checks must be drawn on a bank in Michigan and must have a preprinted check #, name and account number on them. If the writer of the check is a person other than the student, the student must present the writer's ID. The student must have adequate picture identification and endorse the check. Any one of the following identifications is accepted: Driver's License, military service I.D. card, state picture, I.D. card, or passport. (Exception: No student identification is needed for a minor whose parent/guardian is making the payment with a personal check).

What if my class is cancelled?

The School of Continuing Education reserves the right to cancel any class if enrollment is insufficient. The decision to hold or cancel a course is made, in most cases, seven business days prior to the start of the course. In cases of course cancellation, an attempt will be made to contact you either by telephone or mail.

What is the difference between dropping a class and withdrawing from a class?

A student who drops a class before the start of the class will receive a 100% refund for that class.

A student who withdraws from a class after the class begins will receive no refund.

What is the refund policy?

If the District cancels a course, you will receive a full refund. If you withdraw from a course prior to the start of the course, you will receive a full refund. No refunds will be issued to those who withdraw after the class has started. For refund questions, you may contact the Finance Department at (313) 496-2873.

Frequently Asked Questions

What is a CEU?

A CEU (Continuing Education Unit) provides a record and accountability for continuing education activities that meet the certification requirements of certain professional organizations. In all recognized educational circles, one CEU is equal to 10 contact hours of participation in an organized continuing education or extension experience.

What are the requirements to receive a certificate of completion for the CE short-term certificate programs?

You must complete all courses required in each particular certificate area of study.

What are the requirements to receive a certificate of participation for my children/child for CE short-term certificate programs?

You must complete all courses required in each particular certificate area of study.

In order to receive a certificate do I have to take all the classes during one semester?

It is recommended that students who want to complete a specific Certificate Program within the same semester, register for all courses at the same time. The Certificate Programs have class size limits, **so register early.**

Is it necessary to take Certificate Program classes in sequential order?

Yes, one course builds upon another so classes must be taken in sequential order.

Can minors take classes?

Yes. We do allow students under eighteen years of age to enroll in our Kids' College classes with parental permission.

I've forgotten my User ID (A number). What do I do?

Go to your nearest campus Admissions office with valid identification to inquire.

How do I obtain a parking permit?

A parking permit can be obtained from your Campus Safety Department. Please bring your driver's license, car registration, and current class schedule.

Do I need a student picture ID?

Yes, your picture ID can be obtained from the Campus Safety Department.

Are there books required for CE classes?

It is recommended that you ask the Instructor about book requirements on the first day of class.

Am I required to purchase my own books and or supplies?

All classes require you to purchase books and or supplies.

What if I move or change my phone number?

It is the student's responsibility to update any changes to their contact information (i.e. telephone numbers, address). Student information is not automatically updated when a new course registration is received.

To make changes to your student record, contact the Office of Admissions at any of WCCCD's five campuses to complete a Change of Data Form with the appropriate documentation (i.e. valid ID, marriage certificate, social security card, etc.) to substantiate change.

What happens if there is bad weather?

Call the inclement weather line (313) 496-2600.

Basic Drums for Beginners

There are 19 types of notes used in drumming. We will begin with basic theory. Theory in drumming is the notation of rhythm or, in other words notes. We start with the 2 most basic notes—quarter notes and eight notes with their respective rests. Then we apply those notes in the most common Rock/Top 40 drum beats on a drum set. A drum beat is the pattern used with all 4 limbs on the drum set in songs. Students will learn the 6 basic drum beats in American music and more. Practice pads and drumsticks will be provided. Students will need to purchase the textbook required for the class.

PAY

As of May 2023, the median annual wage for electro-mechanical and mechatronics technologists and technicians was \$65,080.

Industry-Specific Wages:

- Scientific research and development services: \$78,560
- Transportation equipment manufacturing: \$73,960
- Engineering services: \$73,750
- Machinery manufacturing: \$61,470
- Navigational, measuring, electromedical, and control instruments manufacturing: \$52,470

JOB OUTLOOK

Although employment for electro-mechanical and mechatronics technologists and technicians is projected to decline by 3% from 2022 to 2032 (2023, BLS) there is still a significant demand in Michigan. Each year, approximately 420 positions are needed in this field, as highlighted in Michigan's Hot 50 careers list on [mich.gov](https://www.michigan.gov/hot50).

Bureau of Labor Statistics, U.S. Department of Labor, Occupational Outlook Handbook, June 2024, Electro-mechanical and Mechatronics Technologists and Technicians, on the Internet at <https://www.bls.gov/ooh/architecture-and-engineering/electro-mechanical-technicians.htm>

ABOUT THE PROGRAM

Embark on an exciting journey through our Mechatronics Technology Associate of Applied Science (AAS) and Robotics and Automation Technology Associate of Applied Science programs, where the dynamic fields of mechatronics and robotics converge! These programs are meticulously designed to introduce newcomers to the captivating world of manufacturing, offering a comprehensive foundation for thriving careers in cutting-edge industries.

Dive into the innovative curriculum of the Mechatronics Technology AAS program, where mechanical systems, electrical components, fluid power control systems, and computer control technology seamlessly merge. Gain a diverse skill set that spans across multiple disciplines, preparing you for success in the ever-evolving manufacturing landscape.

In the Robotics and Automation Technology AAS program, focus intensively on Robotics maintenance and Robotics Vision and Communications. Immerse yourself in hands-on experiences with robot sensors, conveyor systems, and advanced software, witnessing the transformative power of Computer Integrated Manufacturing (CIM). Develop expertise not only in manufacturing but also in maintaining and optimizing robotic systems, harnessing the power of Robotics Vision and Communications for enhanced efficiency and precision.

Your journey into the dynamic world where mechatronics, robotics, and automation technologies shape the future of industry begins here. Discover, learn, and thrive as you prepare for multifaceted careers at the forefront of technological innovation!

WHAT DO ELECTRO-MECHANICAL TECHNICIANS DO?

Electro-mechanical technicians seamlessly integrate mechanical expertise with a deep understanding of electrical and electronic circuits. Their roles encompass the installation, troubleshooting, repair, and enhancement of sophisticated electronic and computer-controlled mechanical systems, exemplified by the likes of robotic assembly machines. In essence, these professionals bridge the gap between mechanical ingenuity and electronic precision, ensuring the seamless operation and optimization of cutting-edge technological systems.

WHERE DO THEY WORK?

Electro-mechanical and mechatronics technologists and technicians collaborate with electrical and mechanical engineers, typically working full-time schedules, often exceeding 40 hours per week. Their close collaboration with engineers is prominent in manufacturing, utilities, and research and development settings.
