

Pharmacy Technology

Upon completion, graduates are eligible to take a national certification exam through the Pharmacy Technician Certification Board (PTCB) and the National Health Career Association (NHA). Successful completion of these exams nationally certify WCCCD Pharmacy Technology graduates and supports their employment within the field. Below are the outcomes for graduates over the past three years who have taken and passed these national certification exams.

Academic Year	Number of Test Takers	Number of Test Takers that Passed	% Passed
2023	10	9	90%
2024	4	4	100%
2025	2	1	50%
Total 3-Year	16	14	87.5%
