| <p>OCTOBER 5, 2026<br/>10:00 A.M. - 1:00 P.M.</p> <p>OCTOBER 13, 2026<br/>3:00 P.M. - 4:30 P.M.</p> <p>OCTOBER 21, 2026<br/>10:00 A.M. - 2:00 P.M.</p> | <b>DROP-IN ORIENTATION<br/>SESSIONS IN OCTOBER</b> | <p>Drop-in Library Orientation Sessions provide students with an opportunity to explore library resources, services, and spaces at their convenience. During these informal sessions, students can learn how to access print and electronic resources, navigate the library website, use online databases, borrow materials, and receive research assistance. Library staff will be available to answer questions, demonstrate key tools and services, and help students make the most of the Learning Resource Center to support their academic success.</p> |
| <p>NOVEMBER 4, 2026<br/>3:00 P.M.</p>                                                                                                                  | <b>HOW TO WRITE A<br/>RESEARCH PAPER</b>           | <p>Learn the essential steps to planning, researching, writing, and formatting a successful academic research paper. This workshop will guide students through the research process, including selecting a topic, developing a thesis statement, locating credible sources, organizing information, citing references properly, and avoiding plagiarism. Participants will gain practical strategies and resources to improve their research and writing skills, leading to stronger academic performance.</p>                                                |
