Out in the community promoting our Health and Wellness Education Center!

Members beat the heat by walking on the indoor track.

Institutional Effectiveness

What's Trending in IE: Student Interest

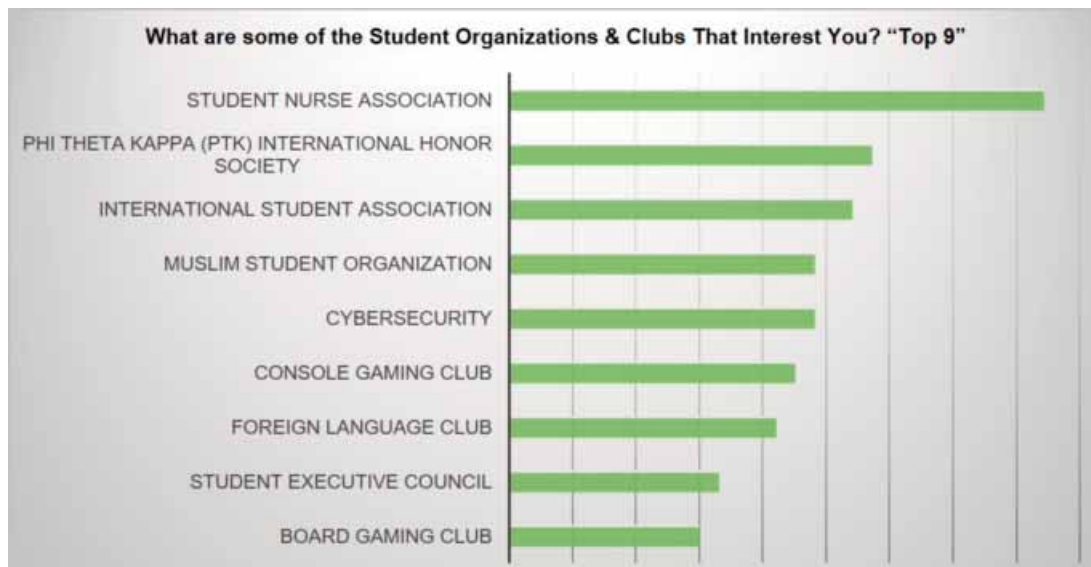

During the Spring 2023 semester, the Division of Institutional Effectiveness researched new WCCCD entering students of which you will find some sample data of that research conducted below. In addition, to the WCCCD data, you will find some sample data from the 2023 National First-Year Students and Their Motivation to Complete College Report conducted by Ruffalo Noel Levitz. Ruffalo Noel Levitz partners with colleges and non-profit organizations to help more students graduate and succeed.

Incoming students are looking for a sense of belonging at their new institutions according to the 2023 National First-Year Students and Their Motivation to Complete College Report and below you will find some sample data from this report for students enrolling in two-year public institutions:

Student Request	2-Year Public	Overall
Would like to meet new friends at informal gatherings	55%	73%
Would like to find out more about clubs & organizations	48%	66%
Would like to meet an experienced student to seek advice	46%	55%
Would like to find out about student government & campus activities	38%	50%
