SIX LOCATIONS
ONE VISION, ONE DISTRICT, ONE COLLEGE

Each week, I am proud to share the progress, achievements, and momentum shaping our District through my Weekend Memo.

In an upcoming edition, we will turn the spotlight on the exceptional facilities that support learning, innovation, workforce development, and community engagement across WCCCD. From state-of-the-art instructional spaces to specialized training and community-centered facilities, this issue will showcase the environments where opportunity and transformation take place every day.

Stay tuned for a closer look at the spaces, progress, and vision that continue to bring our mission to life and expand opportunity across the communities we serve.

I will also be sharing details about my forthcoming book, Pathways to the Future: A Transformational Journey, which reflects on the College's transformational journey and the vision that continues to guide our future.

Together, these highlights reflect the progress we have made and the vision that will continue to shape the future of WCCCD.
