Empco Local Corrections Officer Written Examination

Empco has partnered with the Michigan Sheriffs' Coordinating and Training Council (MSCTC) in Michigan to develop a system to assist candidates for entry-level positions as Corrections Officers. The Empco website will help you find positions, and assist interested police departments in finding the most qualified candidates. The result of this examination is accepted by sheriffs' offices in the state of Michigan.

Candidates for entry level Local Corrections Officer positions in Michigan must complete a hiring process before appointment as a Local Corrections Officer. This process can include, but is not limited to: written tests, interviews, background investigations, drug tests, and psychological and physical examinations to determine the fitness and good moral character of a candidate.

While each sheriff's office has developed a hiring process which meets its needs, agencies begin with a written examination. Your score, as well as your profile and contact information will be available to sheriff's offices via a secure website. This means that sheriff's offices will use this system to not only retrieve and verify test scores, but also as a recruiting tool.

There is a non-refundable fee of \$75.00 to take an examination paid by the candidate.

To schedule an appointment to take the entry-level examination:

- *You must first register with www.Empco.net.*
- *After registering, you can schedule an exam. (You only need to register with Empco once.)*
- *After you have registered, you may return later to update your information, schedule additional tests, and review your test scores. (Scores for this test for Local Corrections Officer are good for three years.)*

*Empco Local Corrections Officer Written Examination Dates at
WCCCD – Downriver Campus, 21000 Northline Road, Taylor, MI 48180*

All tests begin at 10:00 a.m.
