

SPECIAL TRAINING

**Wayne County Community College District's  
Michigan Institute for Public Safety Education (MIPSE)  
Hosted and Participated in  
The Children's Hospital of Michigan and  
Kohl's Injury Prevention Program**

This program sponsored the National Standardized Child Passenger Safety (CPS) Certification Course to train individuals to teach parents how to transport their children as safely as possible. The Safe Kids Child Passenger Safety (CPS) Certification Program for a Child Passenger Safety Seat Check trained parents and caregivers on the proper way to install a child car safety seat or child restraint apparatus. The child car seats were made available to those that needed them.
