

SPECIAL EVENT

**Wayne County Community College District's
Michigan Institute for Public Safety Education (MIPSE)
Hosts
A Community Open House**

The District's Michigan Institute for Public Safety Education (MIPSE) host annually a Community Open House. During this event guests are provided an up close tour of MIPSE, participate in various presentations and interact with law, fire and emergency medical service professionals. Special activities include a demonstration of a vehicle fire suppression by the WCCCD fire fighter students, hands on training on how fire extinguishers work with a specialized fire simulator, and how to handle the various MIPSE equipment used by public safety professionals.
