Wayne County Community College District's Michigan Institute for Public Safety Education (MIPSE) Provided Employee First Aid and CPR Training

WCCCD's Michigan Institute for Public Safety Education (MIPSE) staff conducted various First Aid and CPR training throughout the District. This annual training includes instruction in: Standard First Aid, Family and Friends CPR, CPR for Healthcare Providers, and AED equipment. This training has a dual benefit in promoting safety and preparedness for the workplace and home. MIPSE is an approved American Heart Association Training Center and American College of Emergency Physicians Emergency Care and Safety Institute.
