**Wayne County Community College District's
Michigan Institute for Public Safety Education (MIPSE)
Provided
Emergency Medical Response Equipment and Supplies**

WCCCD's Michigan Institute for Public Safety Education (MIPSE) recommended, installed and is working together with campus and district leadership to monitor the District's emergency medical response equipment. Emergency medical response equipment and supplies include items such as: first aid kits, emergency response bags, emergency blankets, eye wash stations, emergency showers and AED units. This emergency response equipment and supplies promotes safety and protection for our employees, students and guests.
