One Vision, One District, One College
Commercial Driver’s License Training Program

Students continue learning parking lot maneuvers in preparation for road training. After completion, students will be eligible to test for their CDL-A License.

Construction Trades Training Program

New construction trades students are being primed to deconstruct the previous cohort’s theater project. They will be taught the principles of framing, roofing and floor joist structure before they begin their hands on training.
Partnership Opportunities

Staff from the Division of Workforce and Economic Development met with Donnell White, Senior Vice President and Diversity Equity and Inclusion Director of Huntington Bank. Discussion focused on a tour of their new headquarters, partnership opportunities, and establishing a series of workshops for the Entrepreneurship Resource Center.

City of Detroit and Detroit at Work Meetings Continue!

The team met again this week to continue discussions regarding training more than 1,000 students this year. The District is working to create a plan for various stages of training, beginning with GED and worker readiness training.

Mechatronics Program

Classroom construction of the mechatronics training center continues!
Division of **Student Services**

**International Students**

Staff continue to assist our international students with admissions and registration.

**Admissions and Records**

Staff continue to process dual enrollment applications.

**Command Center**

Each week, the Division of Student Services reviews data indicating the number of student inquiries made and addressed.

**Student Executive Council Food Pantry**

Students appreciate the food pantry! They are able to call and arrange a time to come and select what they need when it's convenient for them.

**Veteran Affairs**

WCCCD has seen an influx in military veteran students interested in the health science programs. Many have enrolled in the Nursing, Surgical Technology as well as the Dental Hygiene programs.
Division of Student Services

Phi Theta Kappa (PTK)

Members of PTK met to discuss upcoming activities, scholarships, conferences, and the college project for students who want to apply to the Alpha Upsilon Zeta Chapter.

Student Support Services

Outreach and support services for the Perkins Special Populations students were performed. It included the 2023 Flex Entry Registration, E-transcript capabilities, the National Student Clearinghouse, and the State of Michigan job fair to name a few.

Federal Work-Study Program

Staff provided new Federal Work-Study students information about the policies and procedures of the program.

Michigan College and University Partnership (MiCUP)

We continue to meet with interested students and parents to provide guidance on completing the paid internship application and review highlights about the MiCUP Program at Michigan Technological University.

HR Compliance: Comprehensive Staffing Plan

In preparation for staffing alignment for the fiscal year 2023, the Division of Human Resources (HR), is currently reviewing its comprehensive staffing plan. The Division is reviewing:

- Evaluating District Staffing Needs
- Segregation of Duties
- Credential and Background Checks
- Simplifying Processes
- Implementation and Technology
- Measuring Outcomes
- Department of Labor Compliance
- Job Description
- Staff Training and Professional Development
- Verification of Payroll and Accounting

The Division of Human Resources is continuously working on reliable data management so that campuses and divisions can access the information easily and in a secured environment.

One Vision, One District, One College
