## Important Registration Information

You must have earned a passing grade for all pre-requisite courses or you will not be allowed to register for the next sequential course. In addition to meeting the official admissions/registration requirements, you must select a program of study. For certain career programs you must complete an official Program Admission Form which may be obtained from the campus Admissions Office after completing all course pre-/co-requisites.

You are officially registered when the registration staff enters your classes or you click the submit button on Web-Gate.

You are then responsible for all tuition and fees incurred including the non-refundable registration fee.

Please note that the unpaid balance of tuition and fees is still due when you drop a course after the refund period ends. Therefore, any course dropped after the 50% refund must be paid in full.
