Using Instructor Resources

Faculty members were at the Downtown Campus for training on how to use instructor online course materials. Professor Alida Quick led the session providing instructors with hands-on training.

Digital Photography Meeting

Jamila Sudduth and Instructor Bill Sanders met to discuss the recent acquisition of digital photography equipment. Plans were also discussed on the setup of the photography lab for Fall 2016.

Adjunct Faculty Brown Bag Series

Faculty from the Downriver Campus took time to learn about resources and materials available to augment instruction in the classroom for students.
