To Serve And Protect

The WCCCD District Police Authority exists to provide a quality service derived from the expectations of our community and our own dedication to excellence. The officers apply specialized knowledge and skills in providing a caring response to the security and safety needs of our community.

We also offer several crime prevention programs designed to keep students, staff, and faculty safe. Services are available at no cost.

• ALARM SYSTEM
We operate a computerized intrusion and fire alarm system to monitor facilities throughout the campuses to enhance personal and building security.

• PARKING ENFORCEMENT
The District Police Authority enforces parking regulations while preserving the priority of customer service and to provide a safe and sensible environment for faculty, staff, visitors and students.

• VEHICLE REGISTRATION AND PARKING PERMITS
The District Police Authority strongly recommends that everyone operating a vehicle at WCCCD have it registered. Registration is free and valid for all campuses. Vehicle registration is available at all District Police Authority Offices.

• CRIME PREVENTION MATERIALS
Free brochures and other documents regarding crime prevention are available at the District Police Authority desks and other campus locations.

• VEHICULAR AND BICYCLE PATROLS
Vehicle patrols are maintained at all campuses to prevent thefts and other crimes.

• MOTOR VEHICLE LOCKOUT SERVICES
We provide lockout services for faculty, staff, students, and visitors who lock their keys in their vehicle.

• MOTORIST ASSISTANCE AND ESCORT SERVICE
We provide escort service from the buildings, either on foot or in a vehicle to the campus parking lots. Assistance is also available for jump starting a vehicle.

• LOST AND FOUND
The District Police Authority operates a lost and found service for each campus throughout the District.

• STUDENT IDENTIFICATION CARDS
We operate the student identification card system on each campus.

• PUBLIC SAFETY COUNCIL COMMITTEE
A District Safety Council Committee and a Task and Oversight Committee both has the responsibility to study and to make recommendations on improving public safety. Safety suggestions should be submitted in writing and turned in to your campus officer.

• POLICE SERVICES
Some of the officers are certified under P.A. 330 and have misdemeanor arrest authority while on duty, in uniform on the campus.

• EMERGENCY REACTION PLAN
We provide a manual and training for the District community to respond to emergencies to successfully minimize injuries and property damage.
