

Pharmacy Technology

Each year, students graduate from the Pharmacy Technology program and are prepared to complete a national assessment through the Pharmacy Technician Certification Board.

YEAR	Number of WCCCD Pharmacy Technology GRADUATES
2017-18	7
2018-19	7
2019-20	13
Total 3-year	27

**Some program-specific accreditation standards may require a maximum for program enrollment/capacity*

Pharmacy Technology

Upon completion, graduates are eligible to take a national assessment through the Pharmacy Technician Certification Board. This assessment certifies WCCCD Pharmacy Technology graduates to help them obtain employment within their field of study. Below you will find the outcomes of the last 3 years of Pharmacy Technology graduates that took the national assessment and passed.

YEAR	Number of Test Takers	Number of Test Takers that Passed	% PASSED
2017-18	4	4	100%
2018-19	3	2	67%
2019-20	5	5	100%
Total 3-year	12	11	92%
