"Walking While Black: L.O.V.E. Is the Answer" documentary film presents proven action steps to bridge the painful gap between peace officers and the communities they serve. **L.O.V.E.** is an acronym for **L**earn about the community and the people in it, **O**pen your heart to the humanity of people in the community, **V**olunteer yourself to be part of the solution, and **E**mpower others to do the same. Featuring interviews with peace officers, faith leaders, educators, activists and others, the film offers an inspiring blueprint to end racial profiling and heal our communities.
