Camp Infinity

For girls entering grades 5-8 in Fall 2018

JULY 16 – 20, 2018

Monday – Thursday 9:00 a.m. – 4:00 p.m.

Friday 9:00 a.m. – 3:00 p.m.

Mary Ellen Stempfle University Center - Center for Learning Technology
19191 Vernier, Harper Woods, MI 48225

The focus of this camp is to introduce technology as fun and fulfilling and inspire the pursuit of technology education. This camp will also introduce girls to computer and internet technologies through hands-on activities.

PARTICIPANTS WILL:

- Study video game design concepts and design their own web page, and gain knowledge in robotics and HTML web design
- Participate in mini-sessions that highlight programming skills and real-world uses of technology
- Meet with women who work in technological fields and explore career options in technology. Participants will be introduced to visitors from the local technology community who will explain how their work is important to society at large

The cost is \$75.00 payable at time of registration.
