The Summer Film Festival is designed to promote health family interactions and explore the importance of childhood interaction. The Festival will consist of three films centered around family and childhood development topics/activities.

**Participants will:**

- Have an opportunity to spend quality time with their child/children with a learning environment regarding childhood development and family interactions.
- Explore safe and educational activities that support child development and strengthen the family unit.

**An alien on the run from his own people makes friends with a girl.  
 He tries to help her on her quest, but can be an interference.**
