## LEARNING RESOURCE CENTERS (LRC) WORKSHOP

# MENTAL HEALTH IN LIBRARIES

*with Shantalea Johns*

**THURSDAY, APRIL 11, 2019**  
**1:00 P.M.**

### **EASTERN CAMPUS**

5901 CONNER STREET, DETROIT, MI 48213

This workshop will give professionals the tools to identify when someone might be struggling with mental health or substance use problems and how to connect them with the appropriate resources when necessary. This program is open to the public and recommended for any person working directly with the student population.

Shantalea Johns is a certified Youth and Adult Mental Health First Aid Instructor. She is also a certified child and adolescent trauma professional. As a community-based participatory researcher and speaker, Johns' interests include encouraging storytelling and help-seeking behaviors, reducing mental health disparities for African American adolescents; reducing social isolation for diverse college students living with depression and anxiety, and mental health stigma reduction in diverse populations.
