District Student Services

Dear WCCCD Student,

Our first priority is the health and safety of our students, faculty and staff. During this unprecedented COVID-19 pandemic, WCCCD continues to comply with local, state and federal authorities and follow the guidelines of the Centers for Disease Control and Prevention (CDC) and Michigan Department of Health and Human Services. WCCCD is taking measures to protect its students, staff and faculty while continuing to deliver courses and services in a manner that is appropriate given the current circumstances. Effective November 18 - December 8, 2020, all in-person classes will transition to virtual meetings or alternative education. The District's Health Sciences and Public Safety programs will have in-person skill and clinical simulation instruction. Athletic programs will be suspended during this period.

The WCCCD website continues to provide regular updates on changes in programs and student support services, as well as the District's response to the COVID-19 pandemic. In these and other ways, we are continuously improving the student experience and assuring that quality programs and services are provided in a COVID-19 environment.

Don't forget, registration for the Spring 2021 Semester is underway. The Division of Student Services will be here to assist you every step of the way with registration, advising and other services. Please do not hesitate to reach out to us with any questions or concerns either by email, studentservices@mail.wcccd.edu, or on the Student Success Hotline at (313) 496-2634. All calls will be responded to within 24 hours.

We appreciate your patience and understanding as we navigate through this pandemic together. At WCCCD, we are very proud of the continued resilience and compassion demonstrated by our students. To stay abreast of the latest updates and the college's response to the COVID-19 situation, please monitor your WCCCD email and the college's website at www.wcccd.edu.

Sincerely,

Brian Singleton
WCCCD Vice Chancellor of Student Services
