CARES/CRSSAA Act

Emergency Funding Available

<https://www.surveymonkey.com/r/FA21CARESACT>

WCCCD is providing emergency aid funding to students as we approach the Fall 2021 semester. Any student impacted by the coronavirus pandemic will be able to apply for emergency funding.

Emergency aid is intended to help students with expenses related to the COVID-19 pandemic, including things such as technology, housing, transportation, child care, basic living needs and other college-related costs.

Note: Application submission does not guarantee an award. Students will be notified of any amount received via college email address. Funds will be issued via Bank Mobile.
