MICUP PROGRAM GOALS AND OPPORTUNITIES:

- Encourage students to pursue careers in Science, Technology, Engineering and Mathematics (STEM)
- Spark students' interests in research
- Significantly increase the transfer from community colleges to four-year institutions
- Gain research experience; some students become published
- Workshops focused on research project completion
- During the program, students participate in a research class at Michigan Tech
- Transferring to Michigan Tech could qualify you for the Transfer Scholarship (MTTS)
- 3.5 and above = \$3,000 • 3.0-3.499 = \$1,500
- Michigan residents and US citizens/permanent residents are eligible to apply
