Youth Basketball Development Camp

WCCCD’s “Summer Swish” is a week-long basketball skills development camp. It is a place where campers can have fun improving their skills in the game they enjoy. There will be two age groups, (7-10) and (11-14). Campers will learn to hone their skills through drill work, strength and conditioning, and healthy competition. In addition to sharpening their skills on the court, campers will learn the importance of hard work, perseverance, and teamwork.

Tuesday, June 13 – Friday, July 14, 2023
